The application has been amended as follows:

#### In The Title:

The title has been changed to – Filter Device With An Electrically Grounded Ceramic Membrane Filter Element --

#### In The Claims:

Claims 13-17, drawn to nonelected inventions, have been canceled.

### COMMENTS

The title has been amended to delete the reference to a process, since the subject matter of all allowed claims is directed to a filter device, and to more completely describe the invention. Claims 13-17 have been canceled since they were directed to nonelected inventions.
